

Monarch Series IRC/ICC

Internal Reinforced with Cam Cleat or Internal Cam Cleat

Revolving Rope Halyard

The Monarch Series from American Flagpole provides Internal Halyard flagpoles in heights of 20' to 40' with the simplicity of a cam cleat and rope halyard system. The most cost-effective Internal Halyard design, Monarch Series flagpoles unite the clean lines and beauty of an enclosed halyard system with the security of a flush-mount lockable door, making it the perfect choice in a variety of flagpole applications.

IRC and ICC Standard Features

- Gold Anodized Aluminum Ball
- Cast Aluminum Revolving Truck Assembly with Stainless Steel Ball Bearings, Aluminum Spindle and Removable Hood
- Complete Internal Halyard Assembly
