

Seller warrants to repair or replace, at seller's option, any equipment which fails due to defect in material or workmanship within one year from date of shipment, unless failure is due to improper installation, misapplication, or failure to notify common carrier of apparent or concealed damages in due time. This guarantee is limited to the repair or replacement on the material involved and does not include reimbursement for the expense of installation, removal of equipment, transportation or any other expense, which may be incurred. Authorization must be obtained from American Flagpole at Abingdon, VA, before any material is returned. Return, repair, or replacement of material without prior approval from American Flagpole voids the warranty.
